

Thank you for your call / inquiry.

If you have made an appointment to consult Dr. Leifheit, you can download documents available on this website. A legal signature of record is needed on our Patient Registration Form and for acknowledgement of Dr. Leifheit's Financial Policy.

If you choose to download, read, and/or complete the four New Patient documents on this website before your visit, you may arrive at the office 15 minutes before your scheduled appointment time. Otherwise, you should plan to arrive 30 minutes before your appointment, as there are several additional documents and tasks to complete to prepare your chart.

Please explore this website for more details on Dr. Leifheit's practice how an osteopathic medical approach may be different from what you may have experienced with other doctors or therapists.

If your reason for consulting Dr. Leifheit pertains to a vehicle-related injury/accident, it will be very important to bring automobile insurance policy liability information with you at that first visit. If you do not have such information, full payment will be expected on the day services are rendered (this is covered in more detail in the Financial Policy letter).

Please plan to spend one and one half hours with us at your first appointment, as you will receive a comprehensive evaluation and possibly treatment at that visit. As a large block of time will be reserved for your appointment, please give us at least 24 hours notice if you need to cancel.

You are welcome to call this office with further questions. We look forward to being of service.

Sincerely,

Dr. Leifheit and Office Staff
